Hey Joe,

I've written Minister Savage , the premier, and my MLA about this and will not cc that letter to you but will give you a link about activities scheduled for the weekend to stop all border traffic. I have suggested to the government this is a perfect time and situation to use the Alberta Critical Infrastructure Protection act.

We'll see. Should be interesting Saturday! Here is the link: [BORDER RALLYS & CONVOYS - by Chelle \(substack.com\)](https://borderalliesandconvoys.substack.com)
